

# Welcome to the Nutrien AG Solutions Supplier Information Portal

This portal provides information for all suppliers that are conducting business with Nutrien AG Solutions via Ariba Network.

As part of Nutrien AG Solution's ongoing policy to continuously improve efficiency and service quality to suppliers, they are currently implementing the next stage of their overall electronic strategy to move away from paper-based transactions. If during onboarding you have business-related questions, those can be sent to [Retail.Indirect.Procurement@nutrien.com](mailto:Retail.Indirect.Procurement@nutrien.com) or if you have Ariba Network functional questions, those can be sent to [COE.ProcurementOperations@nutrien.com](mailto:COE.ProcurementOperations@nutrien.com). Many of your questions may already be answered in the topics below.

What information are you looking for?

## PROJECT NOTIFICATION LETTER

Overview of Nutrien AG Solutions Initiative

## SUPPLIER SUMMIT – COMING SOON

Hear your buyer's message regarding being part of Ariba Network

# Nutrien AG Solutions Process & Configuration Guides

## CATALOG

Catalogs are text files stored on Ariba Network (CIF) or on your own website (PunchOut) that describe your products, services, and prices. This allows customers to easily place orders with your company. You can access catalog guides and documentation from the resource list below.

- [CIF Template](#)

## INTEGRATION

Ariba Network offers the possibility to integrate with your back-end ERP system via cXML or EDI, for automatic exchange of electronic documents. You can access integration guides from the resource list below. Integrated suppliers should also reference the Ariba Network Supplier Guide to configure a test account; testing is required for cXML and EDI transactions.
